

Henry Byrnes

(- 25 Mar 1861)

The Evening Star, March 27, 1861

Funeral of a Marine

Private Burns, of the U.S.M.C., who died the evening previous at the marine barracks, was buried yesterday afternoon, with military honors. He was one of the marines who was called out at the Northern Liberties market-house election riot in 1857, and was wounded in the fight which took place there on that day.
