*The Baltimore Sun, December 12, 1857, p. 2*

In Washington city, on the 6th instant, after a short illness, of typhoid fever, William B. Carrico, in the 76th year of his age, for the last 58 years a resident of Washington, and for 24 years past faithful watchman, one of God's noblest works.

His body has returned to dusty,

His limbs mold in the ground,

I hope the Lord will him reward

With an immortal crown.
