### **Obituary**

DeAtley. After a short and painful illness, Mollie Barnes DeAtley, on February 2d, 1882, in the 24th year of her age.

In her has ended the life of wife, mother and child and it is but simple truth to say that in all those relations none more faithful, loving and true. This, together with her pure Christian life, drew her nearer yet, and to many.

And so, while upon earth her life led us to higher, holier things, so in her death do we feel that she is "not lost, but gone before," and is there a beacon light bearing us on and over and up. So weep not fond husband, devoted parents and loving sister, for in following her pure example you shall meet her again, for "blessed are the dead who die in the Lord; even so saith the spirit; for they do rest."
