Expressions of sympathy may be made to the Methodist Home or the Washington Home for Incurables. Arrangements by the Lee Funeral Home.

WILLIAM S. G. DULIN

The Washington Post, February 28, 1976, p. B4

W.G. Dulin, Supervisor For C&P

William S. Gordon Dulin, 89, a retired supervisor in the plant department of the Chesapeake & Potomac Telephone Co., died of leukemia Sunday at Sibley Memorial Hospital.

He was born in Washington and was a graduate of George Washington University.

Mr. Dulin began with the company here as an engineer in 1905. He later was division plant engineer, general plant superintendent and general plant manager with Southern Bell of Richmond, Va., and West Virginia.

He returned to the Washington company as a plant supervisor in 1935 and retired in 1951. During his long career he had received two Vail Medals for outstanding service.

Mr. Dulin, who lived at the Methodist Home in Washington, was a member of Joppa Lodge of the Masons and the Scottish Rite. He belonged to The Fossils, the Alexander Graham Bell Chapter of the Telephone Pioneers and Wesley United Methodist Church.

There are no immediate survivors.

It is suggested that expressions of sympathy may be in the form of contributions to the Methodist Home or the Washington Home for Incurables.
