### **Will Get Ph.D. Degree**

#### **Maurice C. Hall Defends Doctorate Thesis, "Nematodes of Rodents"**

Before a board of experts on parasitology, Maurice Crowther Hall successfully defended his doctorate thesis, "Nematodes of Rodents" at the twenty-eighth doctorate disputation of the School of Graduate Studies of the George Washington University yesterday.

Mr. Hall is to have the degree of doctor of philosophy conferred upon him at the midwinter convocation February 22. At this time, Prof. Charles D. Hazen, a former professor of history at Smith College, is to address the graduating class of the University and Rear Admiral Charles H. Stockton, president of the institution, will preside.

Dr. Charles Wardell Stites of the public health service presided yesterday.
