### **Painful Accident**

Yesterday, Mr. Harrison W. Hardy, an employee of the Public Gardener, while engaged in cutting the dead wood from the shade trees on the north side of the avenue, near Ninth street, fell and was so seriously injured as to make it necessary to carry him home in a coach. It was found that he was badly injured internally. Mr. James Stone, under whose direction he has been working, represents him as an excellent man and a good workman.
