

Sinah E. Lewis

(14 Oct 1817 - 16 Apr 1858)

The Evening Star, June 25, 1858

Dead -- Mr. Reeve Lewis, who was shot on Capitol Hill last March, died yesterday afternoon from the wounds received on that occasion. ... His wife died about six weeks ago from the effects of a paralytic shock, and his seven orphan children are now left to struggle through the world without parental guidance.
