### **Funeral of the Late Mrs. General McNeill**

The funeral of this estimable lady, sister of President Pierce, took place at noon, today, from the residence of her son-in-law, Capt. Benham, U.S.A., on Third street, in this city. Her remains have been brought on from New Hampshire, where she died, so that they might be interred with those of her late gallant and distinguished husband, Gen. John McNeill, which lie in the Congressional burial ground.
