John Reed Found Dead

Employee of Washington Navy Yard, Seventy Years of Age

John Reed, seventy years of age, whose home was at 406 G street southeast, was found dead in the toilet room at the navy yard this morning about 7:30 o'clock. Mr. Reed was employed at the navy yard, and this morning he complained of being ill shortly after he reached there. His body was removed to the morgue and the coroner notified. As the death was due to natural causes, the coroner determined an inquest unnecessary. An undertaker took charge of the body and removed it to the late home of the deceased.
