Ou Sho-Tchun, Chinese Diplomat, Dead

Ou Sho-Tchun, first secretary of the Chinese legation under Minister Wu Ting-fang, and later Chinese consul in Cuba, is dead at his home, 1833 Ontario place. The body probably will be placed in a vault pending arrangements to take it to China for interment.

Ou Sho-Tchun was spoken of in the highest terms at the Chinese legation yesterday. He has not been in the government service, it is said, for several years. He leaves a widow and three children.
