

Elizabeth A.E. Wright (- 25 Nov 1881)

Wright. Thursday, November 24, 1881, at 1:45 o'clock a.m., Elenor A.E. Wright, wife of W.S. Wright, in the 59th year of her age.

How long she struggled against disease,
Which baffled skill and care;
And long she lingered, racked with pain
And sufferings hard to bear.

On, mother, how you gazed on us,
And struggling for your breath;
We never knew, our darling mother,
How terrible was your death.

Death's cruel dart has pierced our hearts,
And bowed us down with grief,
For beneath the silent sod
Our darling mother sleeps.

Funeral from her late residence, A Street between Seventh and Eighth streets northeast, Sunday, November 27th, at 2 o'clock p.m. [New York and Marlboro papers please copy]
